- May apply for grants from MTI and ESG to pivot to other permissible activities or wind down

Jobs Growth Incentive

New Local Hires

Qualifying window extended by 7 months to September 2021.

Employers must increase both their local workforce and number of local workers earning at least \$1,400 per month* to be eligible.

*Baseline and JGI adjustment factor for employers that hire new locals from Mar'21 to Sep'21 will be reset to Feb'21 (from Aug'20)

With 25% of wage support for up to 12 months, eligible employers can continue to receive up to \$15,000 per non-mature hire.

Mature Local Hires, Persons with Disabilities, and Ex-offenders

Extended duration of wage support by up to 6 months. Up to 18 months of wage support from month of hire.

Also applies to employers that are already receiving JGI for workers hired from Sep'20 to Feb'21.

Increased supportable gross monthly wage cap to first \$6,000, up from \$5,000.

Eligible employers that hire such workers from Sep'20 to Feb'21 will benefit from the above for wages paid from Mar'21 onwards.

With 50% of wage support for up to 18 months, eligible employers that hire such workers can receive up to \$54,000 per hire.
